

NEED TO EARN YOUR CDA? WE CAN HELP!

The Council for Professional Recognition (www.cdacouncil.org) administers and awards the Child Development Associate® (CDA) credential. The CDA credential is awarded to early education professionals who qualify for a CDA, and who also complete these four steps:

1

Visit www.kaplanco.com/elearning for steps 1 & 2

CDA TRAINING: CDA candidates must successfully complete 120 hours of CDA qualified training. **Quorum can help!** A Quorum annual membership includes all 120 hours of training to earn your CDA! CDA training must include no fewer than 10 hours of training in each of eight CDA subject areas. Quorum has them all!

2

CDA PORTFOLIO: CDA candidates must complete a CDA Portfolio, documenting their work in the early childhood field. **Quorum can help here too!** The Quorum CDA Planner course is free to all Quorum members, and can guide CDA candidates in preparing a successful CDA portfolio.
